**RESPONSE TO DENIAL OF REQUEST FOR POWER OF ATTORNEY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The undersigned filed on February 5, 2009 a Revocation and Power of Attorney and Appointment of New Attorneys, executed by the President of the assignee of the entire right title and interest, Aglis Co. Ltd., in the above referenced application. A Denial of Requested for Power of Attorney dated February 9, 2009, has been received which states that the Revocation and Power of Attorney and Appointment of New Attorneys by assignee cannot be granted because the required Certificate under 37 C.F.R. § 3.73(b) has not been received.

In response, Applicants respectfully submit that the Revocation filed on February 5, 2009, contains a clear statement under 37 C.F.R. § 3.73(b) of the ownership of the application via an assignment, which was recorded with the Office on April 5, 2006, at Reel 017427, Frame 0310. Subparagraph (ii) of the cited portion of 37 C.F.R. § 3.73(b) expressly states as follows:

b)

(1) In order to request or take action in a patent or trademark matter, the assignee must establish its ownership of the patent or trademark property of paragraph (a) of this section to the satisfaction of the Director. The establishment of ownership by the assignee may be combined with the paper that requests or takes the action.

Ownership is established by submitting to the Office a signed statement identifying the assignee, accompanied by either:

\*\*\*\*\*

(ii) A statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (*e.g.*, reel and frame number).

The document signed by the President of the assignee clearly contains a statement that meets this requirement. Therefore, it is respectfully requested that the Denial be withdrawn and the Revocation and Power of Attorney and Appointment of New Attorneys be granted.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
